

Boulevard 7000

Uniclass Pr_35_57_11_26	
CI/SfB	(43) Tn6

Product information:

Boulevard 7000 is constructed from 100% solution dyed nylon yarn and incorporates a heavy scraper fibre for optimum dirt removal and moisture retention. The range is available in a choice of four colours in sheet format.

Barrier matting provides an effective solution to reducing maintenance costs on surrounding floorcoverings and helps minimise the risk of slip on hard floor finishes. It can also, when maintained correctly, help protect the appearance of surrounding floorcoverings throughout their life.

Boulevard 7000 can be used in conjunction with a primary entrance mat and in some situations can be used as stand-alone matting in entrances and access points. It is also ideal for use in areas of a building prone to soil and moisture damage such as lifts and canteen areas and in areas of heavy wear such as reception areas and corridors.

Note: Boulevard 7000 is not recommended for use on staircases.

Warranties:

10 year wear warranty
Full warranty details available on request

Specification:

Product Form	Sheet
Product Dimensions	± 20m x 2m
Product Construction	Tufted Cut Pile
Surface Yarn	100% Solution Dyed Nylon
Total Carpet Weight	± 3525 g/m ²
Tufted Pile Weight	± 825 g/m ²
Primary Backing	Non-woven Polyester/Polyamide
Secondary Backing	PVC
Total Carpet Thickness	± 8mm
Pile Height	± 6mm

Performance Specification	
Classification BS EN 1307	Class 33
Static Electricity ISO 6356	<2kV

Flammability	
BS EN 13501-1	Class Cfl-s1
