Description

Luxury Trim System

The Gradus Luxury Trim System offers a premium solution for the neat finishing of junctions between flooring materials. The solid bronze profiles are available in six opulent metal finishes (Polished Chrome, Satin Chrome, Brushed Stainless Steel, Pearl Nickel, Satin Nickel, Polished Bronze & Satin Bronze) for use in prestigious applications where luxury floor finishes are installed, from hotels to top-end residential developments. The profiles are available in either a ramp or a twin top configuration with a choice of bases and heights to suit a wide range of floorcoverings.
