

GRADUS

Contract Services

First Choice for Installation, Project Management
and Product Solutions

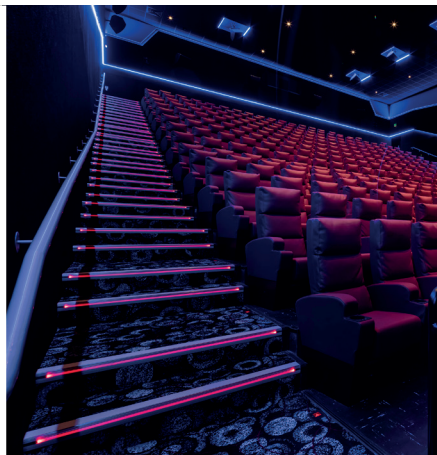

Contract Services

Introduction

Gradus is a UK manufacturer with national coverage and has been manufacturing contract interior products for over 50 years. Over the last two decades, Gradus has developed many specialist products and has built a strong reputation for quality installation in these areas.

Why Gradus Contracts?

- Gradus has built strong brand values around its product offer of quality, design, service and expertise to ensure peace of mind for all customers. These brand values have been embedded into our Contracts department ensuring that installation of products maintains the same high standards recognised by Gradus customers over the years.
- A full supply and fit package is offered by Gradus Contracts that provides peace of mind for customers and clients throughout the design, estimating and installation process on a selection of products:
 - Wall Protection
 - Entrance Matting
 - Lighting

Specification and Survey

The criteria for product selection and specification to meet performance, costs and standards has never been more essential and Gradus can offer clients and contractors its expertise and knowledge to provide cost effective solutions.

Gradus provides:

- Nationwide specification sales team
- Full survey and estimating service with dedicated electronic take-off capabilities
- Advice to meet the latest guidelines:
 - Approved Document M
 - BS 8300-2:2018
 - HBN 00-10
 - HBN 00-04
- MAT 05 - designing for robustness
- Full CAD and design service
- Value engineering
- Bespoke design service

Manufacture and Sustainability

Gradus products are manufactured to the highest standards using the best materials available and are extensively tested to make sure they meet and exceed the requirements of the applications for which they are intended. Improvements in design, production and environmental development have helped improve cost-effective solutions for clients.

Why Gradus?

- A dedicated ISO 9001:2015 and ISO 45001:2018 manufacturing facility offering a flexible and responsive service
- Fully accredited to ISO 14001:2015 and dedicated to controlling and minimising the effects on the environment with a firm set of environmental objectives
- Fully Accredited to ISO 45001:2018 Health and Safety Management System

Did you know?

- In the past 24 months Gradus recycled over 381 tonnes of waste material that could have gone to landfill and 56% of the waste material was reused in the production process
- Since 2008, Gradus has reduced its energy consumption by over 50%
